MISSION STATEMENT

CIX Direct serves the hospitality industry providing custom case goods, restaurant seating and tables, upholstered goods and architectural millwork. Working with salt of the earth craftsmen in the heart of Ohio, CIX Direct specializes in combining many different raw materials to meet your design specifications. Whether you are looking for a hotel lobby, guest room furniture, or restaurant needs, custom is what we do best. We will work side by side with the design team, the purchaser, and logistics to ensure the design intent is realized, the budget is met, and the project arrives on time. “Coming together is a beginning, staying together is progress, and working together is success.” - Henry Ford
